

One of the main points foreseen by the EAHM Program 2019-2022 is to create an annual award for the best innovations implemented in European Hospitals.

The framework for the 2019 award will be a poster session at the EAHM Congress 2019 in Ghent

EAHM INNOVATION AWARD 2019

An abstract, maximum one per hospital, can be submitted until June 29th, 2019

(email submission to pascal.verdonck@ugent.be)

All abstracts will be reviewed by the international scientific committee of the EAHM.

The corresponding authors of the selected abstracts will be informed before July 1st, 2019 if they are accepted to present a A1 poster in the permanent poster session in Meet & Greet Center of the congress.

All posters will be displayed the whole conference and a separate poster session will be organised on September 11th, 2019.

During the "get together session" on September 11th, 6-8 pm, the selected authors will have the opportunity to present the key result of their implemented innovation with one slide in one minute.

Based on the submitted abstract, the poster and the oral 1 minute pitch, the EAHM scientific committee will select the top three innovative projects and will award them, thanks to the sponsorship of all congress sponsors, with:

II First prize EAHM Innovation Award 2019 Value 2500 euro

II Second prize EAHM Innovation Award 2019 Value 1500 euro

II Third prize EAHM Innovation Award 2019 Value 1000 euro

All selected abstracts will be published on the EAHM website and the congress website after the 'get together' on Wednesday September 11th.

The plenary pitch session will be recorded and presented as a video on the EAHM and congress website.

EAHM INNOVATION AWARD 2019

TITLE OF PROJECT: AUTHOR INSTRUCTIONS FOR ABSTRACT-POSTER SUBMISSIONS TO GHENT CONGRESS

[*] CEO's name * , Collaborator , Collaborator, ...
[*] 1name of hospital, adress, country[* indicates presenting author]
